

GOVERNOR (1965-1977 : RAMPTON) [446]

SPEECHES, 1964-1976.

3 cu. ft. and 6 microfilm reels

DESCRIPTION: This series contains drafts, final copies, and notes and other preparatory materials for speeches made by Rampton as governor-elect and governor from 1964 to 1976. Governor Rampton gave speeches that expressed his policy on a certain matter, his recommendations to the Legislature, his assessment of the "state of the state", or that were used to promote Utah to outside industrial and business interests. Speeches were made at dedications of buildings; at meetings, conventions, and conferences of various social, political, business, and industrial interests both in and outside of Utah; to the Utah legislature; and to Utah's citizens. Of particular interest are the speeches that Rampton gave promoting industrial development in Utah to various out-of-state audiences. Topics for the speeches include tourism, Utah's economy, industrial development in Utah, water and mineral resource development, federal and state government cooperation, education, traffic safety, law enforcement, unemployment, and the need for Utah's citizens to become politically active. This series also includes Rampton's three inaugural speeches, budget recommendations and other messages to the legislature, Statehood Day messages, commencement addresses, and testimonies submitted to U.S. congressional committees. Locations where the speeches were given have been listed where available.

ARRANGEMENT: This series is arranged chronologically by date. All materials have been kept in the order in which they were found, therefore, while some speeches may be undated, they are generally found within the proper year of their creation and/or delivery.

RELATED RECORDS: See Series 20914, INAUGURAL RECORDS, for Rampton's 1973 inaugural address.

PROCESSING NOTE: This series was microfilmed in 2002 and the hard copy kept because of the intrinsic value of the papers. It was processed by Kira Robertson in February 2001 and scheduled in accordance with the Utah State Agency General Retention Schedule.

PREFERRED CITATION: Cite the Utah State Archives and Records Service, the creating agency name, the series title, and the series number.
